1. PRIVACY & DATA PROTECTION POLICY

1.1 Purpose

CreativeCraft Development Initiative (CCDI) collects and processes personal data in the course of delivering its four programme arms: Capacity Development, Social Enterprise, Benevolent, and Creative Community Initiatives. This policy sets out how CCDI collects, uses, stores, protects, and disposes of personal data belonging to beneficiaries, staff, volunteers, donors and partners, in line with applicable data protection law and international good practice.

1.2 Scope

This policy applies to all personal data processed by CCDI in any format — paper, electronic, photographic or verbal — and to everyone who processes data on CCDI's behalf, including employees, volunteers, trainers, contractors and partner organisations.

1.3 Data Protection Principles

CCDI processes personal data in accordance with the following principles. Data must be:

- Processed lawfully, fairly and transparently.
- Collected for specified, explicit and legitimate purposes only.
- Adequate, relevant and limited to what is necessary (data minimisation).
- Accurate and kept up to date.
- Retained only for as long as necessary.
- Processed securely, protecting against unauthorised access, loss or damage.

1.4 Categories of Data Collected

- Identity data: full name, date of birth, gender, national ID number.
- Contact data: phone number, email, home or community address.
- Programme data: skills assessments, attendance, training progress, certificates.
- Financial data: bank details for stipends, grants or vendor payments.
- Special category data: health information (e.g. disability, for reasonable accommodation) and data relating to children, collected only with appropriate safeguards.
- Media: photographs and video recorded during training and community activities.

1.5 Lawful Basis for Processing

CCDI relies on one or more of the following bases to process personal data: the individual's consent; performance of an agreement (e.g. enrolling a beneficiary in a programme); compliance with a legal obligation; or CCDI's legitimate interest in monitoring, evaluating and reporting on its programmes, provided this does not override the rights of the individual.

1.6 Data Storage & Security

- Electronic records are stored on password-protected devices and access-controlled cloud systems.
- Paper records are kept in locked cabinets accessible only to authorised staff.
- Access to personal data is granted on a need-to-know basis and reviewed periodically.

- All staff and volunteers handling personal data sign a confidentiality undertaking.

1.7 Data Retention

Personal data is retained only for as long as necessary to fulfil the purpose for which it was collected, after which it is securely deleted or anonymised, except where a longer period is required by law, donor agreement, or for legitimate historical/impact-reporting purposes.

1.8 Rights of Data Subjects

Individuals whose data CCDI holds have the right to: access their data; request correction of inaccurate data; request deletion where lawful; object to or restrict certain processing; and withdraw consent at any time. Requests should be directed to CCDI's designated Data Protection Focal Person.

1.9 Data Sharing with Third Parties

CCDI shares personal data with third parties (such as donors, government agencies, or partner organisations) only where necessary, under a written agreement that requires the third party to protect the data to a standard consistent with this policy, and never for commercial or marketing purposes without explicit consent.

1.10 Data Breach Notification

Any suspected or actual data breach must be reported immediately to the Data Protection Focal Person. CCDI will assess the risk, take steps to contain the breach, and notify affected individuals and relevant authorities where required by law and within the applicable timeframe.

1.11 Policy Review

This policy is reviewed annually by CCDI's management, or sooner where required by changes in law, programme scope, or identified risk.

3. CHILD SAFEGUARDING POLICY

3.1 Policy Statement

CCDI is committed to creating a safe environment for every child and young person who participates in its programmes. CCDI has zero tolerance for any form of abuse, exploitation, neglect or harm and will take all reasonable steps to protect children from harm caused by staff, volunteers, partners, or other participants.

3.2 Definitions

For the purpose of this policy, a 'child' is any person under the age of 18. 'Safeguarding' refers to the actions CCDI takes to promote the welfare of children and protect them from harm.

3.3 Guiding Principles

- The best interests of the child are always the primary consideration.
- Every child has an equal right to protection from harm, regardless of age, gender, disability, ethnicity or background.
- All concerns about a child's safety are taken seriously and acted upon promptly.
- Safeguarding is everyone's responsibility — staff, volunteers, partners, and beneficiaries alike.

3.4 Code of Conduct for Staff & Volunteers

- Never be alone with a single child in an unobserved or private setting.
- Never use physical, verbal or emotional discipline that is humiliating or harmful.
- Never engage in any romantic, sexual, or inappropriate physical contact with a child.
- Always seek a child's and, where applicable, their guardian's permission before photographing or recording them.
- Report any concern, disclosure, or suspicion of harm immediately using CCDI's reporting procedure.

3.5 Recruitment & Vetting

All staff and volunteers working directly with children undergo reference checks and, where legally available, a background/police clearance check prior to engagement. All new staff and volunteers receive a copy of this policy and confirm their understanding in writing.

3.6 Recognising & Responding to Abuse

Staff and volunteers are trained to recognise signs of physical, emotional or sexual abuse, neglect, and exploitation, and to respond calmly and supportively to any disclosure — listening without judgement, reassuring the child, and not promising confidentiality, since concerns must always be escalated.

3.7 Reporting Procedure

Any concern about a child's safety must be reported immediately to CCDI's designated Safeguarding Focal Person. All reports are handled confidentially, documented, and where appropriate, referred to relevant statutory child protection authorities without delay.

3.8 Use of Images of Children

Images or video of a child are only captured, used or published with informed consent obtained through CCDI's Photo/Video Consent Form (Section 4), and images are never published alongside identifying details such as a child's home address or full personal circumstances.

3.9 Training

All staff and volunteers receive safeguarding orientation upon joining CCDI, with refresher training at least annually.

3.10 Policy Review

This policy is reviewed annually, or immediately following any safeguarding incident, to ensure it remains effective and aligned with best practice.

4. PHOTO / VIDEO CONSENT FORM

CreativeCraft Development Initiative (CCDI) would like to use photographs and/or video recordings of programme activities for the purposes of reporting, training documentation, our website, social media, newsletters, and promotional materials. Please complete this form to indicate your consent.
